"21. The Secretary shall forward the Policy to the Officer in charge of the District Treasury within whose limits the Proposer may be employed for delivery to him, on payment in cash of the first premium. The date of payment of the first premium shall be the date of the Policy, and shall be entered therein by the Treasury Officer before delivery. If a Policy is not claimed from the District Treasury, or from a Taluk Treasury, to which it may have been sent for delivery, within a month from the date of its receipt thereat, the matter shall be reported to the Secretary who will call upon the Insured to furnish an ordinary medical certificate of good health if more than six months have not elapsed since the original medical certificate was granted."

No. 6084—*Ft. F.* 105-95, *dated 8th January* 1896.

The following Revised Rules, framed under Sections 23, 24, 25 and 26 of the Forest Rules of S, defining more fully the privileges of raiyats to take wood and other articles of forest produce District or Government Unreserved Forests, have been, pending the revision of Forest Rules, sanc-

tioned by the Government of Mysore, for the District of *Shimoga*, *Kadur* and *Hassan*, and are published for general information. These Rules do not apply to Coffee Planters :—

1. The privileges granted in the rules to raiyats will be exercised by them within the limits of Village Forests wherever specifically assigned, and when Village Forests have not been so assigned, within the limits of District Forests or portions thereof which may be set apart for the purpose.

2. No trees bearing forest produce, such as cinnamon, or yellaga, tamarind, alalekayi, kachu, gern, gamboji, antavala, manda or maddidhupa and halmaddi, &c., shall be felled under these Rules, either in the Village or District Forests.

In the Village and District Forests, sandalwood, teak, bité or blackwood, ebony, poon, karachi, and jalari, will be entirely at the disposal of the Forest Department. Raiyats as well as traders will have to pay for this description of wood on the terms and at the rates prescribed by the Forest Department.

3. "Classified trees of the 1st Class" shall mean halasu, hebbalasu, mathi, honné, nandi and ippé.

"Classified trees of the 2nd Class" shall mean hunal, jambi, masi, hettiga or arsintyaga, bilvara, tadasalu, kendal, bagi, hadaga, nanja or bakula, sampige, vaté, balgi, haladi or haralbandige and sagadi.

"Jungle wood" shall mean wood other than that of the reserved and classified kinds.

"Agricultural implements" shall mean and include ploughs, harrows, clod-crushers, hoes, seed-drills, mamti-handles, gudli-handles and all other agricultural implements. The term shall not include sugar-cane mills, paddy-husking mills and troughs for cattle, except in the Malnad.

"Malnad" shall mean the Taluks and parts of Taluks mentioned in Appendix A ; all other parts will be deemed to be Maidan.

"Raiyat" shall mean a pattadar, khatedar, or registered occupant of Government land or minor Inamdar, and includes the co-holder or tenant of all the above descriptions of land-holders. Such tenants will be entitled to get wood or bamboos in conjunction with this pattadar, minor Inamdar or co-holder within the limit prescribed in para 10 of the Rules.

4. These Rules shall not affect any existing privilege of grazing in District Forests subject to such arrangements as may be introduced hereafter, nor will they affect existing rights of owners of gardens in their Soppinabettas, or rights in the Kans in the Malnad. But nothing herein contained will prevent any District Forest being closed for Forest conservancy by the Forest Department.

5. Raiyats in the Malnad and Maidan will, subject to Rules 1 and 2, be entitled to take free in District Forests without permit—

1stly, wood, other than of the classified kinds, for agricultural implements. In the Malnad, however, classified kinds of the 2nd Class may be taken for this purpose with the written permission of the Patel. The trees to be cut should be mature, knotted and unfit for timber. In the Malnad, when wood is wanted for sugar-cane mills, paddy-husking mills and troughs for cattle, free permits shall be obtained from the Amildar, and these shall be returned to the Taluk within the time specified with the endorsement of the Patel of the village in which the wood has been cut as to the quantity removed under the permit ;

2ndly, stakes, brushwood and bamboo thorns for fences and hedges and dams ;

3rdly, wood, other than of the classified kinds, and bamboos required for cattle pens, for sheds, pandals, small huts and "Machans" to be put up in fields and for stack floors ;

4thly, branches of jungle wood trees, for manure and litter ; and

5thly, grasses for thatching.

In addition to the above, the raiyats may also cut and remove grass gratis, from the Reserved and District Forests with the permission of the Deputy Commissioner of the District in which such forests are situated.

6. Raiyats requiring wood for purposes specified in Rule 5, 1st and 3rd clauses, if they wish to cut wood within the limits of any village other than their own or beyond the limits assigned to them, must obtain the permission of the Patel of that village. The size of the wood cut for agricultural implements shall not exceed what may be absolutely necessary for making the implements. Wood taken free under 3rd clause of Rule 5 should not, either in the Malnad or Maidan, exceed 2 feet in circumference except for sugar-cane mills, paddy-husking mills and troughs for cattle in the Malnad.

6. (*a*) The raiyats of the marginally noted Maganis of the Sagar and Nagar Taluks shall, for the present, take junglewood free without permit, but shall report the quantity removed by them to the Patel of the village, who shall report the same to the Amildar of the Taluk.

9. Within 50 yards of the banks of a hill stream or any of its feeders, or within a radius of 50 yards from any spring, or within 50 yards of any road, no tree, shrub, or bamboos or jungle in any District Forest shall be cut, nor shall any wood or grass therein be burnt.

10. The concession of wood, on favorable seigniorage made under Rule 8, shall not exceed, to any raiyat, 50 cart-loads in any one period of ten years in the Maidan and five years in the Malnad. It is not intended that 50 cart-loads should be issued in each case. It is the maximum allowed. The Amildar should ascertain the necessity of the raiyat in each case, and grant the quantity he may consider absolutely necessary. He should also see that the privilege is not abused. He may refuse to grant license where an application for wood or bamboos is made with a view to make profit out of it.

11. The concessions accorded to raiyats in Rules 7, 8 and 10 are intended solely for their own *bonâ fide* use. They shall not transfer, sell, or barter for purposes of trade, any materials obtained under the aforesaid rules.

12. Any raiyat wishing to obtain wood or bamboos under Rule 8 should apply to the Amildar of the Taluk in whose limits the forest, from which he is entitled to cut the same under that rule, is situate.

13. Upon payment of seigniorage prescribed in Rule 8, the Amildar will issue a license in form set forth in Appendix B. Such license is not transferrable. It will be the duty of license-holder to abide by the terms of the license. All time-expired licenses shall be null and void. No refund shall be made for unutilized licenses, nor shall fresh licenses be issued in lieu thereof.

14. The licensee shall be bound to produce for examination before the Patel of the village, within the limits of which the District Forest specified in the license is situated, the wood or bamboos or other materials he is removing under the authority of that license, and to obtain the Patel's endorsement thereon as to the correctness of the quantity specified therein. The wood, bamboos, or other materials may then be removed, accompanied by the license which shall be finally handed over to the Patel of the village into which the wood, bamboos, or other materials are taken, who shall examine the quantity with the license and return the same with his certificate thereon to the Amildar of the Taluk, who will, if he has not himself issued the license, transmit it to the issuing Amildar. Only the trees that are likely to produce the quantity granted in the license shall be cut. Irregular or wasteful cutting will lead to the concessions being withdrawn totally, or for a time, from the raiyat concerned.

15. Free permits prescribed for Malnad raiyats in Rule 5 and paid licenses referred to in Rule 13 will be liable to inspection by Forest, Revenue and Police Officers, who will be bound to see that the terms of the license are not exceeded or broken.

15*A*. When any jungle or part thereof is found to have been over-worked it shall be competent for the Deputy Commissioner to close such jungle or part thereof for such period as may be necessary, and have the same notified in the Gazette.

16. No license will be issued for felling wood or bamboos in Malnad "Kans" or in any Government jungle which the Forest or Revenue Department has closed under para 4 or 15*A*. The fact of any jungle being closed should, without delay, be intimated to the Amildar concerned.

17. Any raiyat who fells or removes wood, bamboos, or other materials specified in para 8, or from a District Forest, without having obtained the necessary license, exceeds the quantity specified in the same, fails to return the license within the prescribed time, or breaks the terms of the license, or contravenes the provisions of these Rules, shall be punishable under Section 40 of the Forest Rules of 1878.

18. In consideration of the concessions above granted, such raiyats as are living within the vicinity of State Forests and Plantations are expected to aid the Forest Department in the prevention,

spread or extinction of any fire that occurs in State Forests and Plantations. Any neglect in this respect will lead to the withdrawal of the whole or any part of the concessions for such length of time as the Conservator of Forests may direct.

19. The raiyats are strictly forbidden from setting fire to grass, leaves, thorns or bamboo clumps in a District Forest, thereby endangering the safety of a State Forest or Plantation.

20. The undermentioned Notifications are hereby cancelled :—
